FROM DESK OF THE PRINCIPAL

Dear Academy Families,

This week students, faculty and staff had the honor of listening to the first speaker of our new, monthly Alumni Speaker Series. Chris Haggerty, Class of 1981 and SEA current parent (Ronan, 2-1), spoke to the boys about how Saint Edmond’s Academy positively transformed his academic and athletic path, which eventually led to his success as a Navy SEAL. He told the boys his SEAL class started with 93 candidates, but graduated only 12. What was the difference in the men and women who made it through and those who did not? Positive self-talk. He spoke to the boys about the power of positive thinking especially when times get more challenging.
