

*Celebrate the season of joy with the festive
blooms of a poinsettia plant*

Help us decorate the Rollins Center for the Arts for our Annual Christmas concerts through your purchase of a large (7 1/2" pot- 10 plus blooms) red poinsettia. These lovely plants have been ordered through our friends, the Marini family, and are guaranteed to be of the high quality you can expect when you purchase at their establishment. The cost is competitive and reflects the quality of the plants.

These plants serve multiple purposes. When you purchase, you can dedicate the plant as a tribute or as a memorial. The name of the honored will be listed in the Christmas Concert program. The plants will be used on stage as part of the decoration for the concert. (You can pick them up after the Lower Form concert, December 7th if your child is Lower Form, or after the Middle/Upper Form Concert on December 18th if your child is in grade 4-8. The older students also have the option of pick up at the end of the day on Tuesday, Dec. 19th). And finally, you will have a beautiful plant in your home for the holidays that has special meaning for the purposes it has served.

We hope you will participate and help make our concert special. Thank you in advance for your kindness and support.
