Grandparents' & Special Friends' Day Friday, September 27th 2019

One of the most memorable traditions is SEA's Grandparents' Day Celebration. Students welcome their Grandparents or Special Friends to spend the morning together, beginning with a prayer service, musical performances, continental breakfast and then tours of the campus and classrooms. These volunteers will assist the chairperson with organizing the food of the day, decorations, logistics, and help with set up and clean up, welcoming, preparing, serving food and hosting. A lot of help is required and needed for this very busy day!

A ceremony is held to signify the end of a 6 week journey. Volunteers (**preferably 4th grade** family members) are needed on the actual night of the ceremony to help with set up and break down/clean-up. **5th grade parent volunteers** are needed to set up the Great Hall the evening of the event for the actual ceremony. Food/snacks and light fare; beverages, etc.

We are very fortunate to have parent volunteers to help organize and keep-up with the on-campus uniform resale shop. Managing the uniforms that are donated, as well as the operations of keeping it up and running is all thanks to our volunteers!
